## EVENTS ORGANISED BY CLIMATE ALLIANCE

### Global Covenant of Mayors: Towards carbon neutral and inclusive cities

This event builds on the successful Covenant of Mayors model that gathers more than 6,000 cities across 50 countries committed to a common CO<sub>2</sub> reduction target. It explores how the initiative could be put into practice at a global scale, focussing on climate finance and stakeholders' involvement.

Organised by Climate Alliance, Climate Alliance Austria, Federal Council for Sustainable Development Belgium, University of Delaware

7 Dec 2015 | 15:00-16:30 | Le Bourget | Room 1

### The Covenant of Mayors World Tour – Cities flagship event

This event aims to discuss how the success of the Covenant of Mayors initiative could be amplified worldwide. High level representatives from the European Commission as well as from a variety of world regions such as: Europe, Latin America, Africa and Asia will share their insights.

Organised by the European Commission, Committee of the Regions

8 Dec 2015 | 14:30 - 17:15 | Le Bourget | EU Pavilion

### Handover of green footprints to UNFCCC executive secretary

Over 180,000 children across Europe take part in Climate Alliance's annual ZOOM campaign. The green footprints they collect for using sustainable modes of transportation, saving energy in their school or eating local food are handed over to Christiana Figueres along with the children's concrete wishes and demands for UN Climate Conference delegates within the official opening of the "Youth and Future Generations Day".

Organised by Climate Alliance

3 Dec 2015 | 10:00 | Le Bourget | Climate change studio

### Energy Efficiency – The local authorities' visions

This event will focus on energy efficiency in cities and the main barriers for realising its full potential. Scientists, local leaders, city networks and industry representatives will present best practices and discuss successful solutions.

Organised by Climate Alliance Italy

10 Dec 2015 | 10:00 – 12:00 | Le Bourget | German Pavilion

### Climate Alliance exhibition: Local solutions for global climate action

This exhibition will showcase 25 years of Climate Alliance, including actions and messages from its 1,700 member cities. Climate Alliance will show how cities and subnational governments support nations in tackling climate change and build resilience via innovative local solutions.

Organised by Climate Alliance

30 Nov - 5 Dec 2015 | Le Bourget | Ground floor
