SMART CITIES
MARKETPLACE

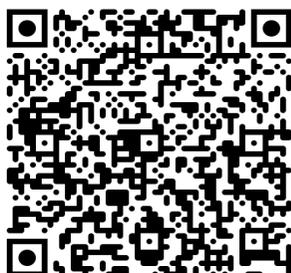

This **one-on-one support** is designed to help those with already defined project ideas but facing difficulties with implementation.

The Smart Cities Marketplace and the Covenant of Mayors – Europe **provide 20 days of free, tailored guidance** to help turn your plans into action, from legal assessments and energy savings calculations to developing investment concepts and engaging citizens.

What services does it include?

- Planning support
- Assistance in developing an investment concept
- Strategies for engaging citizens and stakeholders
- ...and much more!

Who is this for?

- Only for **EU Covenant of Mayors signatories**,
- **Small and medium-sized cities and towns** will be particularly encouraged to apply !
- Signatories with **concrete plans at any stage of their journey**

The call will close on 23 May.

Stay tuned for a dedicated info session in mid-March.
